

IMPORTANT INFORMATION

FROM THE

F STREET RECREATION CENTER.

Family Information Sheet

The F Street Recreation Center is a drop-in facility. This means children can come and go as they please. If they wish to leave, we cannot stop them. Many children leave our supervision to go to the store or Runza. (This is done entirely on their own. The F Street Staff will not give any child permission to go off our property.) Please discuss this with your children and let them know your expectation. We are not responsible for them once they leave our supervision boundaries.

We are open Monday through Thursday from 8 am to 9 pm, Fridays we close at 6 pm. Because of our limited size we need to dedicate our hours to certain groups at specific times. Seniors from 9 am to 3 pm Kindergarten through 6th grad from 3 to 5 pm. All ages from 5:00 pm until close. Sunday the hours are 2 pm to 6 pm for all ages.

We have a Spanish Club on Sundays for K - 6th grads from 3:00 - 5:00 pm. Attendance is not mandatory. Children will be given a chance to participate, if they choose not, it will be for the entire day. If they participate in the club but choose to leave before it is over, they may not go back the rest of the day. Mrs. Blair is the leader of the club. Rachel has been conducting a Beat Club on Mondays with the help of her friend, Brad. On the third Wednesday of each month, we have volunteers (Mark and Jeff) showing the children how to juggle. The same standard about re-entering will be enforced in all clubs. This cuts down on distractions and keep the program running smooth.

Enclosed are the posted rules of the center and our discipline policy. Keep in mind that these steps can go faster depending upon the circumstance. We want all participants to have fun and feel safe at the center. We expect all participants to show respect for the building, equipment, staff and all others in the building.

Parents who plan to pick up their children **MUST DO SO BY CLOSING TIME 9:00 pm** Monday through Thursday and 6 pm on Friday and Saturday. **If no one has picked up the children at the appropriate time the police will be called.** STAFF ARE NOT ALLOWED TO GIVE CHILDREN RIDES HOME.

We need to remind everyone our telephone is a business phone and can be used by elementary children to originate or receive calls to check in with their families. All other calls can be made on the pay phone.

Dinner is served at 5:00 for elementary and junior high students. We are asking that no outside food be brought in between 5:00 and 5:30 (this has caused a problem in the past) A lack of appreciation for the food is obvious and we ask that if your child does not want to eat here that they sit quietly in the pool room during dinner. They are welcome to get a book from our shelf and read but the games can not be played. If there is a problem with this, we will ask you to come and get your child during supper.

We are very excited about our moving into the new center. As of today, the estimate day of completion is early March. We should be moved in and ready to open within a month after completion. As soon as we have an opening date, we will let you know.
